Anil Singhvi

Anil Singhvi, Founder Director IIAS, a proxy advisory services firm, and Chairman Ican Investments Advisors, has over thirty years of experience in the corporate sector, of which twenty-two years were with Ambuja Cements Limited where he rose from Manager to its Managing Director and CEO. IIAS is a pioneering effort in India for improving Corporate Governance and accountability of the Corporates. He serves on the Boards of a number of companies and is advisor to corporates and private equity firms in India. He conceptualized and advised merger of Enam, one of the largest investment banks in India, with Axis Bank and advised the sale of MCX to Kotak Mahindra Bank. He is also closely associated with an NGO that provides shelter and a complete way to live to destitute children, besides being involved with the Foundation for Liberal and Management Education (FLAME) since its inception.

Trodding the path less taken, he has shone the searchlight of scrutiny on the suboptimal practice of Governance.

We are privileged to recognize him as a Gatekeeper of Governance.
