Corporate Social Responsibility  
Committee

## 2026 IS A NEW INNINGS

**Corporate chieftains must take new guard. We attempt a list of issues where they “cannot take their eyes off the ball”.**

**#1** To ensure that there are measurable outcomes/ impact of the CSR activities.

**#2** To undertake impact assessment of all the CSR activities taken up by the company.

**#3** To encourage employees to volunteer for CSR activities undertaken by the company.

**#4** To ensure that there are no situations of conflict of interest vis-à-vis the implementing agency.

**#5** As per the recent Supreme Court ruling, be conscious to maintain a balance between CSR efforts and the environment.
